Education

Bachelors of Music

Music Education

Cum Laude

Saint Xavier University

Design Experience

2016

UX Designer @DESIGNATION Labs
Studied under and worked with design industry experts over six months. Focused on user experience design and research methodologies in an agile work environment. Built responsive web and mobile apps for two client projects.

Client: Red Couch

Created a responsive mobile app to keep associate board members accountable in their required duties. We collaborated with the Art Institute of Chicago. Work focused on gamification and clarity of requirements for individual board members over the course of a year.

Client: FetchFind

Redesigned a responsive website that the client acquired (Pawedin). Goal was to utilize the traffic of Pawedin and have them switch to FetchFind for further pet training. Work focused on heuristic evaluation of previous site, concept testing new ideas, and creating a mid fidelity prototype. Collaborated with clients and a third party dev team.

Relevant Experience

2013-
2016

String Teacher

 @ Private Studios

Individual private lessons and group lessons utilizing the general music education and certified Suzuki methods. Subjects taught: Violin, viola, and cello performance, music theory, composition, arrangements, music software, and music history.

Music&Arts / PM Music Center

Taught 100+ individual student lessons on violin, viola, and cello. Held store workshops on music theory and organized quarterly performance recitals.

Substitute Teacher

 @ District 203

Long term substitute orchestra teacher at Naperville Central High School and part-time substitute teacher for other subjects. Taught at elementary, middle, and high schools in the district, utilizing Socratic teaching methods to stimulate creative thinking in students.

Freelance Musician

I performed a variety of musical genres at weddings, funerals, holiday parties, community homes, churches, and recitals. I'm also a free agent for performance groups, including the Southwest Symphony and the Northwest Suburban Symphony Orchestra.
